Bring May Flowers

Tissue Paper Flower craft

You will need:

- 4 squares of tissue paper for each flower you want to make.
- 1 pipe cleaner for each stem you need.

How to:

1. Stack 4 squares of tissue paper on top of each other and fold like an accordion.
2. Tie the centre of the folded paper with a pipe cleaner.
3. Gently pull each piece of paper towards the top centre of the flower, separating each sheet of paper from the others (forming the petals of the flower).
