

# HOW DOES YOUR GARDEN GROW?

Create your own mini garden fence and add some brightly coloured bugs and flowers

## You will need:

8 craft sticks or strips of card

Glue stick

Card, felt or craft foam

Tissue paper

Stick on eyes

Crayons or colouring pencils

Optional decorations:

Sequins, glitter, feathers

## How to make your garden fence

1. Lay your first 4 craft sticks in rows
2. Run a generous amount of glue over the next 4 sticks as you press them on top

Set your fence aside and allow to dry completely.

4. Once your fence is completely dry decorate it with all the pieces you have made.

Weave the grass in and our of the sticks. Add glue if you need to.

Place your insects and flowers on to the fence using the glue stick.

5. Add any other decorations you would like.
